**Do you just want someone to give your baby to, keep it safe, and make sure your baby gets a good**

baby gets a good home?

You have options. Arizona has the **Safe Haven Law** that identifies places where mothers can safely and anonymously give up their babies without fear of prosecution. We have a Safe Haven crisis response team available to assist you with questions, options and resources, 24/7. Call 1-866-707-2229.

If your baby is unharmed, is under 72 hours old and you don't intend to reclaim your baby, you have options! Simply bring your baby to the Safe Haven locations:

**Any Hospital  
Any Ambulance  
Any Designated Adoption Agency  
On-duty Fire Stations  
Any Designated Church**

You must hand your baby to a person at above locations or may place baby in Safe Haven drawer at designated hospitals. Tell them this is a safe haven baby and you may leave. Your baby will be cared for and a good home will be found for the baby.

Donated water will be accepted 10 a.m.-5 p.m., Monday through Saturday, at the Glendale Visitor Center, Suite 140, 5800 W. Glenn Dr., and at all Glendale Fire Department stations.

Employees to lend a helping hand Glendale Parks employees have taken the Heat Relief Network humanitarian cause further by providing mobile hydration assistance for

people needing water. On days that the National Weather Service issues an extreme heat advisory, Glendale Park Ranger and maintenance vehicles are loaded up with coolers filled with ice-downed water bottles to hand out to people in need when encountered in City parks.

### **Important tips to avoid heat-related illness:**

- Increase fluid intake, regardless of activity level. Staying hydrated is extremely important. Limit exercise or outdoor activity between the hours of 11 a.m. and 3p.m.
- When outdoors, wear a sunscreen with a minimum SPF 15 and reapply often.
- Wear a hat, lightweight clothing and sunglasses.
- Rest frequently in shady or cool areas to give the body's temperature a chance to recover and cool down.
- Never leave infants, children or pets inside a parked vehicle.
- Check on elderly neighbors to make sure their air conditioning is working and in use.
- Take advantage of free air-conditioned spaces by visiting shopping malls, libraries, or other heat refuge locations.

Heat Relief and water bottle collection location maps are available at all Glendale libraries and community centers and online at <http://www.azmag.gov/heatrelief>. For additional information on regional heat relief efforts, please contact Celina Brun, Maricopa Association of Governments, at 602-254-6300 ex. 5130.

### **Buckle Up Arizona...It's the Law! Enforcement Campaign** **Arizona Occupant Protection Enforcement Program** *Monday, May 16 through Sunday, June 5, 2016*

In an effort to save more lives on Arizona's roadways this month the Governor's Office of Highway Safety is partnering with the Glendale Police Department and other local law enforcement agencies to enforce Arizona's seat belt and child safety seat laws.

Arizona presently conducts enforcement under a secondary seat belt law and a primary child safety seat law. The enforcement campaign is based upon high visibility traffic enforcement with a "zero-tolerance" approach towards seat belt and child safety seat usage.

As part of a the national Click It or Ticketseat belt enforcement campaign, law enforcement agencies across the state will be stepping up traffic enforcement patrols and increasing other enforcement efforts to drive home the message: Buckle Up Arizona...It's the Law!

Despite widespread efforts to educate drivers about the importance of wearing seat belts, motor vehicles collisions continue to be the leading cause of death and serious injuries to the citizens of our state. The enforcement mobilization will run from May 16, 2016 through June 5, 2016.

Regular seat belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. When worn correctly, seat belts have proven to reduce serious crash-related injuries and deaths by about 50%. The proper and consistent use of child safety seats has been found to reduce the risk of fatal injury by 71% for infants (younger than 1 year old) and by 54% for toddlers (1 to 4 years old) in passenger cars. Properly installed booster seats reduce the risk for serious injury by 45% among children ages 4 to 8 years old.

### **Tohono O'odham Nation Revenue Sharing**

In 2002, Arizona voters passed Proposition 202 which allowed for the continuation of limited Indian gaming on tribal lands in Arizona. Under Prop. 202, Arizona tribes agreed to share a portion of their revenues with the State of Arizona. Of the revenues shared, 12 percent is made available to cities, towns, or counties for a purpose whose benefit is to the general public through either direct distribution to the local governments or in the form of a deposit to the State of

Arizona's Commerce and Economic Development Commission's Local Community Fund.

For its 2016 revenue sharing, the Tohono O'odham Nation has chosen to contribute directly to local governments. In addition, non-profit organizations may work with local governments to qualify for the funding available from the Nation. Therefore, the Tohono O'odham Nation is seeking Requests for Funding Proposals from Arizona cities, towns, counties, and non-profit organizations.

These proposals must address one of more of the following priority areas:

- a) Education
- b) Health Care
- c) Public Safety
- d) Child Advocacy
- e) Economic Development
- f) Cultural & Environmental Development and Protection

For information on proposal guidelines and how to deliver a proposal, please contact the Tohono O'odham Executive Office at 520-383-2028.

**Myrtle Avenue Improvements - Safe Routes to School Project**

---

### **Myrtle Avenue, 65th to 63rd Avenues (Westbound Only)**

#### **Project Update**

Construction crews have removed asphalt on the north side of Myrtle Avenue between 66th Drive and 63rd Avenue, installed sidewalk on the south side of Myrtle Avenue from 66th Drive to 65th Avenue and relocated several water services, a fire hydrant and an irrigation structure. The following activities currently are underway:

- \* On the south side of Myrtle, placement of decomposed granite on both sides of the new sidewalk.
- \* Curb, gutter, sidewalk and driveway entrance installations on the north side of the roadway between 65th and 63rd avenues.
- \* Grading the roadway between 66th Drive and 63rd Avenue.

#### **About The Project**

The Arizona Department of Transportation (ADOT), in partnership with the city of Glendale, is installing sidewalks, driveway entrances and storm drain improvements on Myrtle Avenue between 62nd Avenue and 66th Drive. When complete, the project will provide continuous sidewalks for pedestrians and for children walking to area schools in the neighborhood.

The construction is slated for completion in August 2016. Work hours are 6 a.m. to 6 p.m., Monday through Friday. Crews may work evenings and weekends, if needed. The contractor will not work Monday, May 30 in observance of Memorial Day.

**Road Closure Advisory - Myrtle Avenue, 65th to 63rd Avenues (westbound only)**

Myrtle Avenue remains closed to westbound traffic between 65th and 63rd avenues for roadway improvements. The contractor is providing access for residents, businesses,

Glendale High School, school buses, Glendale Urban Shuttle (GUS) and emergency vehicles via eastbound Myrtle Avenue. Please allow extra time when traveling through the construction zone as there will be traffic delays. Glendale Avenue and 67th Avenue may be used as an alternate route. Westbound Myrtle Avenue will reopen by 6 p.m., Friday, July 29, 2016. If you have questions about access during the closure, please call the construction hotline at (602) 264-6416.

Thank you for your patience and cooperation during this improvement effort.
